Purpose: It is a compliance requirement to follow the Boyce Thompson Institute for Plant Research (BTI) procurement guidelines when procuring goods and services.

Policy:

1. It is BTI policy that all purchases made using sponsored research funds must adhere to the Uniform Guidance (2CFR200) regulations as described in §§ 200.317–200.326.
2. Responsible parties should pay attention to individual sponsor award terms and conditions to ensure that award procurement requirements are noted and followed.
3. Further policies relating to BTI Procurement Guidelines can be found in the Financial Management topic (4.60.001 to 4.60.020).
